I understand that the Camp Leader reserves the right to
send any participants home if necessary. If it becomes
necessary for my child to receive medical treatment and I
cannot be contacted by telephone or any other means to
authorise this, I hereby give my general consent to any
necessary medical treatment and authorise the Scouter
in charge of the camp to sign any document required by
the hospital authorities.

Note: The medical profession takes the view that the parent's consent to medical treatment cannot be delegated. This view is explicit in the Children Act 1989. Thus medical consent forms have no legal status and a doctor/nurse insisting on the consent of a parent to a particular treatment has the right to do so. For this reason we do not recommend that Leaders insist on parents signing the statement above. However, it can be a comfort to medical staff to have general consent in advance from parents or to have a Leader on hand able to sign forms required by medical authorities.
