

Sex Education Presentation and Discussion

Dear Parent,

Your consent is needed!

On 13th Oct we will be having a presentation and general discussion on Sex Education. We hope to have a member of Aneurin Bevan Health Board to lead this discussion where, amongst other things, Sexually Transmitted Infections (STI's), advice lines, the Revised Sexual Offences Act with respect to the Explorer age range and conduct expected from a Scout will be discussed.

Discussions and questions will be encouraged. As you can expect with a subject such as this, pictures can paint a thousand words - there will therefore be a number of photos showing STI disease states. If you have any concerns regarding the information to be covered, please give me a call.

Regards

Simon Fairless
Unit Leader
