Welcome

Hello and welcome to Archimedes, the most unique subcamp at WINGS2009!

Our subcamp consists of participants aged 10-14, 14-18 and 18-25. This is due to numerous 18-25 year old participants coming along with their units of younger Guides and Scouts.

But have no fear, there will be activities and fun for all!

The Acropolis, as described in Volume 1, is for our 10-18 year old participants. The Parthenon is strictly for our 18+ year old participants, with details below in "Archimedes Life."

We look forward to seeing you on Archimedes!

If you have any questions please contact us at Archimedes@wings2009.org.uk

The Archimedes Subcamp Team

Archimedes Life

We will offer a staggering evening experience and a relaxed daytime environment.

When you have some spare time during the day, we have a coffee shop with mellow music, comfortable chairs, some games and a relaxed atmosphere for you to recharge your batteries.

Guides and Scouts over 18, join Archimedes in The Parthenon* for evening entertainment geared just for you. Activities in The Parthenon include live music, a games night, a Disco and a toga party in honour of the great Greek, Archimedes. So don't forget your toga and dancing shoes and we look forward to seeing you in The Parthenon.

*Under 18s not admitted.

Subject to change by the WINGS Management.

Meet The Team

Subcamp Leader

Mark Ashworth (AKA Mash)
Mash was the leader of the 18-25 sub camp at WINGS2003.

Deputy Subcamp Leader

Alexandra Keane (AKA Mom)
Mom's mobile phone ring tone rings like a normal phone -- she wanted to be different!

Deputy Subcamp, Leader, Programme

Tim Haggett (AKA TTT (Tim the Token Taffy))
The farthest from home TTT has ever travelled was to South Africa.

Subcamp Manager, Evening Programme

Damien Woodall (AKA 40)
If you went to 40's for dinner, he would make you Baked Camembert with dipping bread for starter, Lasagne for main and Bread & Butter Pudding for dessert.

Subcamp Manager, H&W and Food

John Higgins (AKA Ben)
Ben's biggest memory of WINGS2003 was being stuck in London waiting for the London Eye to cool down.

Subcamp Manager, Evening Programme

Graeme Hartley (AKA Spot)
The theme tune of Spot's life is "The Show Must Go On" by Queen.

Subcamp Manager, Food

Alex Clarke (AKA Axle)
Axle says the best part of Scouts when he was young was learning things he never learned at school (like how to use a knife & axe safely and cooking on fires).

Subcamp Manager, Communication

Stacy Thornton (AKA Scout)
The summer Scout was 12 she went to Savannah, Georgia, with her Girl Scout Troop to the Juliette Gordon Low Birthplace. (Yes, Scout is American!)

7 out of 8 sub camp leaders attended WINGS2003. Can you guess who didn't?
