## Welcome

Hello and welcome to Archimedes, the most unique subcamp at WINGS2009!

Our subcamp consists of participants aged 10-14, 14-18 and 18-25. This is due to numerous 18-25 year old participants coming along with their units of younger Guides and Scouts.

But have no fear, there will be activities and fun for all!

The Acropolis is for our 10-18 year old participants. The Parthenon is strictly for our 18+ year old participants. Under 18s will NOT be admitted to the Parthenon

Some details of activities in both the Acropolis and the Parthenon are in the Archimedes Life section. We look forward to seeing you on Archimedes!

If you have any questions please contact us at [Archimedes@wings2009.org.uk](mailto:Archimedes@wings2009.org.uk)

The Archimedes Subcamp Team

## Archimedes Life

We will offer a staggering evening experience and a relaxed daytime environment.

Scouts and Guides in the Acropolis and the Parthenon will be able to get together in the evenings for a variety of entertainment.

In both the Acropolis and the Parthenon, Guides and Scouts need to be prepared with their Togas for the biggest Toga Party WINGS has ever seen! Not only will the evening include togas, it will also include music, contests and prizes. So bring your toga and your dancing shoes for the biggest, best Toga Party WINGS has ever had!

Dates and times of the Archimedes Toga Party to be provided in the future.

## Meet The Team

### *Subcamp Leader*

Mark Ashworth (AKA Mash)  
If Mash could be a fruit, he would be a tomato because not many people remember that a tomato is fruit.

### *Deputy Subcamp Leader*

Alexandra Keane (AKA Mom)  
Mom's theme song to her life is "Always Look on the Bright Side of Life."

### *Deputy Subcamp, Leader, Programme*

Tim Haggett (AKA TTT (Tim the Token Taffy))  
TTT's best Christmas present was an adopted Giraffe.

### *Subcamp Manager, Evening Programme*

Damien Woodall (AKA 40)  
At the cinema, you would find 40 in line for the film Wolverine.

### *Subcamp Manager, H&W and Food*

John Higgins (AKA Ben)  
Ben would invite you 'round for a Chinese dinner.

### *Subcamp Manager, Evening Programme*

Graeme Hartley (AKA Spot)  
The furthest Spot has travelled as been to Canada.

### *Subcamp Manager, Food*

Alex Clarke (AKA Axle)  
Axle's mobile phone ring tone is "Tales of Girls, Boys and Marsupial" by The Wombats.

### *Subcamp Manager, Communication*

Stacy Thornton (AKA Scout)  
If you went to Scout's for dinner, she'd make you meatloaf, mashed potatoes and creamed corn (or sweetcorn as a substitute).

8 out of 8 sub camp leaders were Scouts/Girl Guides/Girl Scouts as children. All agree the best part was learning new skills like campfire building!
