FreeSpirit Money Matters

Running an Explorer Unit and carrying out an exciting Explorer programme costs money. The Unit does fundraise by its members taking part in various activities e.g. bag packing. Any young person who regularly takes part in these activities will typically have reduced payments on camps. The Unit also regularly subsidises the weekly programme.

We charge a termly subscription of £22.00. This is payable (by cheque please to FreeSpirit Explorers with name and what for written on the back) during the first few weeks of every term. If you are a new starter, the first half term is always free.

Our annual camp typically has a staggered payment plan. This is issued well in advance and we ask that you adhere to the published dates.

Upon investiture into the Unit, your son / daughter will receive a Unit necker and woggle together with a number of badges that will require sewing to their shirt at no cost.

This Unit operates an equal opportunities policy in that we believe that no child should be excluded from an activity because of financial constraint (within reason). Please do not hesitate in discussing any issues or concerns that you may have, in total confidence.
